URSULA FERRIGNO

is an acclaimed and experienced food writer and chef. She trained at the Auguste Escoffier School of the Culinary Arts and has taught at leading cookery schools in both the UK and Italy, including the celebrated Leith's School of Food and Wine. She toured the US, running classes in all Sur la Table stores, and has made many appearances on BBC TV. The author of more than 18 cookery books (including *Cucina Siciliana* for Ryland Peters & Small), Ursula has also written for *Olive*, *BBC Good Food*, *The Observer*, and *Taste Italia*.

Cucina Siciliana
ISBN: 978-1-78879-117-5
\$19.95 (priced higher in Canada)

Italian food reflects culture. In Italy, cooking is the product of geography, history, and religion. "Italian cooking" is really a patchwork of local and regional cuisines, all fiercely claiming to be the best in the country.

Ursula Ferrigno's own family comes from the south of Italy, and just south of Naples is the Amalfi Coast. It is widely considered to be one of Italy's most magical locations: breathtaking (literally) winding cliff-top roads, pastel-colored houses tumbling down toward the sea, flower-framed terraces, and trees heavy with the world's most coveted lemons at every turn. Discover the delicious food the region has to offer. Vegetable dishes take center stage and both meat and fish are eaten and often combined in exciting ways. In this seductive book you'll find 75 recipes to enjoy, from simple *antipasti* to *pane* (bread) and *pizza*, pasta, *piatti principali* (main plates), *contorni* (vegetable), and the all-important *dolci* (desserts), alongside essays on the food culture and traditions of the area and beautiful scenic imagery.

- Italian cuisine is one of the world's most popular as of 2019; 88% of Americans who have tried Italian food are fans.
- *Forbes* reported the Amalfi Coast to be a popular and beautiful destination for food and culture.
- From the author of *Cucina Siciliana* (ISBN 978-1-78879-117-5), over 6,500 copies sold.

IRENA STEIN is a photographer, restaurateur, and humanitarian whose spirit is deeply rooted in humanizing society. Irena came to America from Venezuela on a scholarship to Stanford University where she graduated with a Master's in Cultural Anthropology. Since then she has merged her passion for food, community, and environmentalism by opening her first restaurant, Alma Cocina Latina, in Baltimore, Maryland.

EDUARDO EGUI has worked in high-end kitchens in Caracas and Miami and lives in Barcelona, Spain, with his wife and child, having opened his restaurant La Real Hamburguesaria in 2017. He travels to Venezuela with his company Caracas Catering.

The arepa—a crisp round pocket made from corn flour—is one of Venezuela’s defining foods. Gluten-free and dairy-free, arepas are endlessly adaptable, unarguably delicious, and fun to eat. From chicken to cheese, avocado, and pork, just about anything you would put between two slices of bread can fit into an arepa. With a growing number of arepa bars opening globally and top chefs and food lovers alike discovering Venezuelan cuisine, arepa fever is spreading fast! *The Arepa* will introduce this celebrated little pocket to everyday eating, first by teaching how to make arepa dough from scratch, then providing instructions on how to cook them, and pairing them with countless fillings and flavor combinations. Making arepas is easily accomplished in any home kitchen with four simple ingredients—corn flour, water, oil, and salt—and they can be assembled in advance. They contain no replacement or unnatural ingredients, making them way healthier than most gluten-free bread recipes. No rising is required, making the dough easier than bread, and there’s no rolling, making them less tricky than tacos. With a little practice, it will become simple to add arepas to your culinary repertoire.

- There are already more than 500 arepa bars in the States and more than 3,500 globally.
- The author’s restaurant, Alma Cocina Latina, has been recognized nationally by *Bon Appétit*, *The New York Times*, *Baltimore Sun*, United Nations Environmental Board, and others. A dedicated Arepa bar will be opening next to the existing restaurant early in 2023.

CHEF TEE opened his restaurant Paradise Cove (originally Sugar Cane) during the pandemic. He had previously worked as a teacher and chef, but was able to truly exercise his passion for cooking when he transformed what was once a corner shop into what is now Paradise Cove. Having grown up in care himself, Chef Tee aims to create change by employing care leavers and 16–25 year olds. He has four degrees, runs marathons for charity, and brings fantastic Caribbean food to London, UK.

also available:
Island Poké Cookbook
ISBN: 978-1-78879-433-6
 \$24.99 (priced higher in Canada)

Caribbean cuisine offers a world of flavor, with all the islands having their own unique dishes and cooking styles. In this sunshine-filled book you’ll find recipes for mouth-watering hot sauces, spice rubs, marinades, and cool chutneys as well as vibrant salads, wood grills, and slowly simmered braises. Food is often eaten on the go from beach shacks or street vendors, who cook up fresh bites every day. Satisfying curries are always on the menu and are traditionally served with rice or roti breads for wiping your plate clean, and vegetable sides. Meat is a big feature, often marinated, and fresh fish is readily available, particularly on the smaller islands, but there are plenty of vegetarian and vegan dishes to enjoy too. And let’s not forget the rum-based cocktails! Celebrate the fresh and vibrant colors and tastes of the Caribbean in your own kitchen with delicious and easy recipes, filled with lip-smacking flavor, guaranteed to transport you to paradise.

- In the same vein as best-selling Caribbean cookbooks such as *Original Flava*, *The Creole Kitchen*, and Levi Roots’ *Reggae Reggae Cookbook*.
- Caribbean food was identified by The National Restaurant Association as a top trend to watch for 2022.
- “This is all comfort food, made by someone who knows a bit about having to find a place of safety and now wants to offer you one, too.” Jay Rayner, *The Guardian*.
- Chef Tee is a rising media star, having featured in the *Observer New Review* (as part of a piece on successful care leavers), as well as debuting as a guest chef at the Latitude Festival in Summer 2022.

MARCUS BAWDON
 is obsessed by cooking with fire. It's an all-encompassing passion that he loves to share with people via his vibrant CountryWoodSmoke website, Facebook group, and YouTube channel; through demonstrations and appearances at food and BBQ festivals across Britain; and as editor of *UK BBQ Mag*.

For barbecue supremo and teacher **Marcus Bawdon**, outdoor cooking should always be tempting. And it doesn't always have to be about huge slabs of meat! This book will inspire you to pull together feasts guaranteed to impress, regardless of dietary preferences or requirements. The art of BBQ has taken off around the globe, and Marcus experienced exciting methods first-hand from South America to Japan, Italy to India. He takes inspiration from a wealth of culinary influences to demonstrate how far cooking with fire has come and how flavorsome it can be, even for those with a specific dietary need. Here, the doors of Marcus' own UK BBQ School have been thrown wide open so you can see in glorious technicolor in his stunning photographs what is possible, to encourage you to take giant leaps forward on your own BBQ at home. Included are recipes for meat and seafood, as well as vegetarian and vegan recipes. Advice is also shared on buying barbecues, tips on cooking technique, and how to hone your skills. BBQ is a real journey, and there is no better teacher than Marcus.

- A book for everyone, from carnivores to meat-avoiders, so that everyone can enjoy the best of those smokey flavors regardless of dietary needs.
- Americans are enjoying outside cooking more than ever after Covid, with almost every type of grill seeing significant sales growth in 2021 (NPD).
- The author's first book, *Food & Fire* (ISBN 978-1-911026-88-4), sold 3,000 copies. His book *Skewered* won the World Gourmand Award for Best BBQ Book 2021.

KATHY KORDALIS
 draws inspiration from her Australian and Mediterranean heritage, as she was raised by Greek parents in Sydney, Australia. A graduate of Leith's School of Food and Wine, Kathy works as a freelance food stylist and writer. Her clients include chef Bill Granger of Granger & Co. Kathy is completing a Masters degree in the Anthropology of Food at SOAS and leads Gastronomic Tours in London, UK, for Context Travel.

Take a journey through the sun-dappled food of the Mediterranean, with over 75 recipes inspired by recipes prepared and enjoyed in France, Spain, Greece, and Italy. This is crowd-pleasing food, designed to be shared. All diners are welcome at **Kathy Kordalis'** table, as the Mediterranean diet was traditionally based on fish, along with mainly vegetable-based meals and protein from legumes, the perfect basis for a "flexitarian" approach. Being mindful of seasonality and food availability is important, but without it affecting your joy or enjoyment. This super-versatile recipe collection features sauces, pickles, and ferments, recipes for easy breads, summer vegetable dishes (including salads, sides, and entrées), fish and meat plates plus deliciously indulgent sweet things and bakes. In addition, *Endless Summer Table* is peppered with vignettes on key Mediterranean ingredients, from olives to honey and saffron, to create a beautiful book for all who love to cook, and a reference to revisit time and time again.

- Enticing summer food, beautifully photographed in sun-dappled table settings, aspirational dining at it's most potent and on-trend with the current social media interest in lifestyle dining and "tablescaping."
- Communal dining and catering for multiple dietary needs are becoming increasingly important. This book makes this easy and enjoyable.
- The US is increasingly embracing Mediterranean-style food, with fast-casual brands like Taïm, Hummus & Pita Co, Roti, and Zoë's Kitchen ever-popular.

Publication: February 2023

The lunch hour can be the biggest highlight or disappointment of any day. A store-bought meal purchased in haste is so often a bland specimen, shoveled down without a second thought to health or bank balance. However, food-savvy members of the public are now more conscious than ever about what they are putting into their bodies. Nutritious and delicious dinners are big business—but why stop at dinner? After all, around a third of meals eaten are lunches at work or school. Hungry souls are now after something better come breaktime and are willing to spend a little longer on a meal that tastes good and does good. The new supercharged lunchbox can be so much more than the ubiquitous tuna salad sandwich and package of potato chips of yesteryear. Instead, *Lunch to Go* will teach you how to create a thing of delight, a balanced individually portioned meal that will be the envy of colleagues. Don't cheat yourself, instead treat yourself to a beautifully crafted lunchbox.

- The ultimate way to save money and reduce plastic and food waste; ideal as concerns around cost of living and the environment are so prominent.
- Exciting recipes that wave goodbye to the meal deal and go far beyond the ham sandwich.
- Driven by the post-Covid “back to the office” rush.
- Wholesome, delicious, and easy to transport; goes in hand with the “Bento Box” cute lunch trends on TikTok. One account has amassed 14 million views on just one of many viral videos (*LA Times*).

With experience as an editor for the health and wellness website MindBodyGreen, **Leah Vanderveldt** offers a new outlook on eating plant-based dishes for health and wellbeing. This is unashamed comfort eating—big hearty bowlfuls, packed full of goodness and rich in flavor. Her philosophy is to get the maximum enjoyment from foods by using seasonings and cooking techniques in over 100 simple recipes that offer indulgence and balance all at once. Affordability and accessibility is key, too, and these tasty, comforting, and hearty meals are designed to bring excitement to the palate. Expect lots of color, texture, and flavor, with combinations of spice and freshness, creamy and crunchy, umami, sweet, and sour. Try Spiced Buckwheat Porridge, Peanut Butter and Banana Whip Bowl with Toasted Coconut and Seeds, Red Lentil Dahl, Winter Roasted Veg Bowl with Honey Balsamic Dressing, Veggie Tacos with Five-seed Slaw, Planty Paella, Peanut Butter Cookies, and Chocolate Bark with Dried Cherries and Almond Flakes. Plant-based comfort food incorporates an abundance of plant foods in meals that nourish the body and soul. It isn't heavy or overly rich, it can be light and healthy, while still being filling and flavorful.

- Vegan comfort food to be a top trend for 2022 (Kroger).
- 82% of US consumers have tried plant milk, and 62% have tried plant-based meats, showing that there is appetite for vegan cooking and nourishing plant-based recipes (Rakuten).
- *Vegan Street Food* (ISBN 978-1-84975-650-1) has sold over 5,000 copies.

Enjoy a bottomless brunch in the comfort of your own home with this delicious collection of brunch recipes paired with irresistible cocktails. There is no better way to enjoy a lazy morning at home than cooking up a storm and then rewarding your hard work with a decadent cocktail. Whether you're dining for two or cooking for a crowd, *Bottomless Brunch* will provide the inspiration to create your very own boozy brunch at home. Keep it simple with a classic Eggs Benedict paired with a Mimosa or make things more interesting with Baked Chili Eggs matched with a long cold glass of Brunch Punch. Cooking for more? A pan of Slow-braised Beans with Ham Hock, some Cheddar Cornbread and a perfect Bloody Mary is a great way to feed, and impress, a crowd. There are even delicious alcohol-free mocktail combos to appeal to the non-drinkers out there such as Herb Fritters with Fried Eggs and a Basil Limeade. Dive into this glorious collection of paired food and drink recipes and transform your brunch into a truly buzzing breakfast affair.

- Very little in way of competitive titles—a lot of brunch books, but nothing else with brunch recipes paired with cocktails.
- Contains a huge range of brunch recipes to suit all tastes—eggs, fruits, pastries, meat, and vegetarian.
- Alcoholic and non-alcoholic cocktails are included to appeal to the growing amount of non-drinkers out there.

Great Sandwiches

From the humble cheese and tomato sandwich to an enormous meatball sub, the sandwich is both a comforting classic and the most versatile type of food imaginable. Whether you want a simple snack to stick in your lunchbox or something more substantial to see away a Sunday morning hangover, *Great Sandwiches* has delicious recipes from around the world involving the key ingredient, bread, to make paninis, burgers, hogies, bocadillos, tartines, and more. With beautiful illustrations to showcase the true variety and deliciousness of the world of sandwiches, you will find recipes for everything from the classic BLT and Pastrami on Rye, to exciting creations from further afield like the Katsu Sando and Cubano, as well as more practical creations in between bread such as the Roast Dinner Leftover Sandwich.

- The sandwich market share in USA is expected to increase by USD 11.69 billion from 2020 to 2025 (www.technavio.com).
- The popularity of sandwiches shows no sign of decreasing—approximately 49% of all Americans eat one sandwich a day (USDA Agricultural Research Service).
- Comes hand-in-hand with the return of the packed lunch, back to work culture.

Want to save time, money, and energy by using up your existing food stocks rather than constantly grocery shopping and then struggling to use up leftovers? Here **Megan Davies** shows how, by helping you develop intuition for using what you already have in your kitchen. She shares her vibrant, accessible, and, most importantly, flexible recipes for leftover meals that can be rustled up just by looking in the refrigerator or store cupboard. Each recipe has a highly inventive ingredients table, showing how to swap and substitute ingredients, depending on what you have to hand, making it easy to ring the changes and work with what you have. Cooking this way is something that comes naturally to Megan and here she shares her secrets, to equip you with the skills and tricks needed to make your own food go further, while at the same time refreshing your weeknight meal roster and enjoying some weekend feasting.

- With the cost of food rapidly rising, most people are looking at ways to cut their food budget. Using up leftovers and any lingering ingredients in the refrigerator is an obvious place to start.
- About 90% of Americans are concerned about the cost of food (according to a survey conducted by The Harris Poll on behalf of Alpha Foods).
- Simple ingredients are favored and where possible harder-to-source ingredients are avoided or widely available alternatives are given.
- Recipes are divided into seasonal sections, to make the most of food when it is at its best and cheapest, plus there are chapters on batch-cooking basic recipes and creating condiments and sauces.

The Thrifty Cookbook

A busy family household is often short on time and money. The weekly shop for groceries can be a stressful time when you are wondering how you can feed your family good, honest food without exceeding the weekly budget. Living on a budget, or trying to reduce your outgoings, doesn't have to mean foregoing cooking and eating good food though. Thrifty tips will guide you through how to make the most of your ingredients and create wonderful family food for all mealtimes. Enjoy some budget breakfasts such as Baked Eggs or Corned Beef Hash before moving on to some purse-friendly soups and salads for lunch. The main meal of the day no longer needs to empty the bank, so instead delve in to some quick and easy dishes such as Thai Salmon Fish Cakes or Quick Vegetable Curry. Treats don't have to be ignored in favor of saving pennies either—whip up some quick treats such as Iced Summer Berries with Hot White Chocolate Sauce or Banana Fritters. *The Thrifty Cookbook* has all the inspiration you need to produce fantastic food, in super quick time, for the whole family even when you've had to tighten the household purse strings.

- News and social media chat is generally focussed around the cost of living crisis, so offering recipes that are budget-friendly is very relevant.
- Simple, easy-to-follow recipes mean that they can all be made in around 20 minutes or less—perfect for a busy family.
- Quick cooking also means an energy-efficient way of cooking, which is useful during the energy crisis, where families are concerned with conserving energy.

Why settle for popcorn and a soda? The *Gnocchi Horror Show Cookbook* presents a director's cut of the finest dishes paying homage to the finest ever movies. Think of them as culinary sequels! With 50 blockbuster pun-based recipes featuring "The Silence of the Clams," "Frying Nemo," "Peel Harbor," "School of Wok," "Pinenuts of the Caribbean," "Cook-a-Dahl Dundee," and "Jurassic Pork," this is five-star cuisine from the big screen. Each recipe is both delicious and pun-tastic, meaning that you can enjoy your favorite movies alongside their accompanying dish or snack. A range of genres are covered, from comedies and dramas to horrors and action movies, meaning that you can have everything from "Edward Caesarhands" to "Loaf Actually." May the forks be with you!

- The perfect gift for foodies and film buffs, publishing in time for Cannes film festival buzz.
- Taps into the trend for pun-based cookbooks—the puns will have you rolling in the aisles.
- Each of the 50 recipes is illustrated with stunning photography.
- TV and movie-based cookbooks are huge in the gift market right now—e.g. Marvel, Friends, and Bridgerton-themed cookbooks in Urban Outfitters.
- With the vast number of streaming services out and "binge-watching" culture, the appetite for this type of book is bigger than ever. TikToks on TV/movie-inspired foods are going viral.

VICTORIA GLASS is a London-based food writer and recipe developer. She has made cakes for, among others, The Prince's Trust and The Royal British Legion and was the Roald Dahl Museum's first-ever Gastronomic Writer in Residence. She has written six cookbooks, including *Deliciously Chocolate*, *Baking Mash-up*, and *Boozy Shakes* for Ryland Peters & Small.

It's not hard to see why some cakes, bakes, and desserts become classics, with family recipes handed down through the generations. You have only to sink your fork into a moist Lemon Drizzle Cake or enjoy the smell of freshly-baked Cinnamon Buns to understand why there are some sweet treats that we simply can't resist returning to again and again. This book is a celebration of those recipes. From cookies and cakes to pastries and desserts, **Victoria Glass** charts the delicious range of some of our much-loved classics. Lesser-known smaller bakes such as Jumbles and Fat Rascals feature alongside indisputable classics such as Snickerdoodles and Blueberry Muffins. Larger cakes and pastries range from the quintessential Boston Cream Pie and Hummingbird Cake to those creations with an international flair: delight with a decadent Austrian Sachertorte or a South African Melktert. To finish, classic desserts include Peach Cobbler and Apple Brown Betty. Comforting and economical, these 60 vintage recipes are guaranteed to hit all the right notes of nostalgia and deliciousness.

- The novelty of retro foods has spiked since lockdowns, with consumers returning to nostalgic recipes for a dose of comfort food and for the enjoyment of traditional baking.
- Younger generations are getting involved too, with a TikToker recreating school lunch-style cakes and desserts amassing more than 100,000 views.
- Internet searches for childhood classics such as Banoffee Pie have more than doubled over the past 2 years.

Cooling, delicious, and indulgent are all words that come to mind when we picture the wonderful world of ice cream. Whether you are sipping smooth chocolatey flavors through a straw on a summer's day, mixing a soft scoop of vanilla ice cream into a fizzy drink, pimping your drink with coffee or a tippie, or layering up a delicious ice box cake ready to slice and serve the possibilities of ice cream are endless. Discover a wide range of mix-ins and toppings to layer up loaded sundaes, and enjoy all the glory of an ice cream parlor in the comfort of your own home. Perfect for an indulgent treat on the couch on a Friday night, or for an ice-cold creamy beverage on a hot afternoon. Get ready for a long hot summer, these recipes will help you to get the most out of the cold, the sweet, and the creamy.

- Ice cream based products have seen a resurgence with the invention of more life-style specific ice cream brands, including dairy-free, low-sugar and vegan brands.
- Ice cream cakes are an Instagram trend with #icecreamcakes attracting more than 1 million posts.
- Fun treats such as Japanese-style rice paper wrapped Mini Moon Mochi Ice Creams have served to increase popularity with a younger trend-driven market.
- Shakes and floats have been eternally popular, and are being made at home more frequently post-covid—just like the rise of at-home cocktail making.

Louise Avery began brewing kombucha in 2010 as part of a self-sufficient and healthy lifestyle, living on a Scottish island in the Hebrides, simply because she loved its unique and more-ish taste. Now she is one of London's best-connected kombucha producers. Here she reveals her tried-and-tested recipes that use the freshest produce to create truly delicious cold teas. Starting with an introduction to kombucha, Louise offers information on the types of tea you can use to flavor your kombucha, the health benefits of drinking it, the essential equipment you will need, and the dos and don'ts when it comes to selecting other ingredients. She also presents a step-by-step basic process for brewing kombucha, bottling, and storing, and controlling the yeast. Recipes are then organized by type of base: Fruit, with recipes for Blood Orangeade and Cranberry Cleanse; Vegetable, including Sour Rhubarb Fizz and Striped Candy Beet and Lime. Next up, Flower has ideas for Hibiscus Kombucha and a Hoppy Pale Ale, while Herb, Spice and Tea is where things heat up with Lemongrass Tea as well as a Lychee Basil "Mojito." You'll be spoilt for choice for ways to flavor this health-giving drink.

- The US is experiencing a spike in sales of functional foods and gut-friendly, fermented food and drinks.
- Already popular in LA and more health-conscious areas, but word seems to be spreading rapidly.
- As per the National Center for Biotechnology Information (NCBI), the worth of the global kombucha market was USD 1.67 billion in 2019, and it rose to around USD 2.2 billion in 2020.

TIMOTHY D'OFFAY became fascinated by tea culture and tea growing while living in Japan's ancient capital Kyoto over 20 years ago. Using Japan as a base, he started to explore the tea traditions of Taiwan, Korea, and Hong Kong. In 2000, these experiences led him to co-found East Teas at Borough Market in London, UK, with the tea expert Alex Fraser and in 2008 he set up Postcard Teas, a high-end tea importing business with a store in London's exclusive Mayfair. His work involves traveling extensively across Asia to source and import some of the world's finest tea leaves.

Tea expert **Timothy d'Offay** starts with the very basics with a section on water and tea tools to make brewing easier. Then, as well as traditional ways of making tea, he explores new brewing methods such as "Flow Brew," which involves brewing one tea through another to create an infusion, and "Ambient Tea," a way of making tea pair better with food. There is a "Cold Brew" chapter as well as one for delicious sparkling teas, called "Kitchen Colas," which you can make in the comfort of your own home with tea and a few other natural ingredients. "Fresh Fruit Tea Quarters" are another new innovation, combining tea and fresh fruit juice to create a refreshing soft drink. In *Leaf Tea*, there will be recipes to make the most of matcha and the other stoneground teas now available so you can learn to make tasty "Somersault" drinks—frappés, milkshakes, and ice creams. So, turn on your kettle, tune into tea culture, and drop those tea bags for some of the best leaf tea experiences you can have.

- Written by the author of *The Life of Tea*, winner of the Fortnum & Mason Food and Drink Awards 2019.
- A growing number of top restaurants (including Eleven Madison Park and Atera in New York City) are encouraging diners to pair their food with tea rather than wine and offer high-end specialty teas.
- "It's a moment, an aesthetic..." Pinterest predicts tea-time to become the new happy hour, naming it a top trend in 2022.

For too long designated drivers, detoxers, and teetotalers have been left out in the cold when it comes to great drinks. Instead, they are forced to sip on the same insipid fruit juices that make up most alcohol-free offerings. Thankfully help is at hand with *Mocktails, Cordials, Infusions, Syrups, and More*—a collection of delicious recipes that are welcome alternatives to the dull sodas or mineral water. These drinks prove that ditching the booze doesn't mean sacrificing taste. Exciting ingredients and flavor combinations such as strawberry and black pepper, mango and ginger, lemon and thyme, coffee and cardamom, or blueberry and elderflower will make your taste buds stand up and pay attention. And another bonus: no hangovers!

- Mocktails and tee-total-ism in general is on the rise, with at least 20% of US adults participating in Dry January in 2022 (*Washington Post*).
- Sales of non-alcoholic beverages spiked 33% in 2021—near-beers, clean wines, and more are all on trend.
- Celebrities debuting mocktails and alcohol-free drinks include Katy Perry and Blake Lively.
- Environmentally beneficial: brewing beer uses seven gallons of water to every gallon of beer, so alcohol reduction goes hand in hand with veganism and other planet-friendly dietary movements.

JESSE ESTES is an agave spirits expert and an award-winning bartender who has worked around the world and in establishments in London, UK, such as The Lonsdale, Callooh Callay, and The Luggage Room. In 2013 Jesse was named one of "London's Best Bartenders" by The Huffington Post. He has been featured in publications such as *Imbibe*, *Esquire*, *Shortlist*, *Spirits Business*, and *Drinks International*. Jesse is now the Global Brand Ambassador for Tequila Ocho and leads masterclasses on tequila and other agave spirits across the world.

It's the perfect accompaniment to a Mexican meal full of spicy flavors and the ideal fuel for dancing the night away. Made from the fermented juice of the agave plant, this spirit, along with its trendy cousin mezcal, has a complex yet light flavor, which is perfect in cocktails. Premium quality versions are becoming readily available, especially for the discerning cocktail drinker—the simple rule is the higher the percentage of agave, the better. Learn about the proud heritage of agave-based spirits from expert **Jesse Estes**. Start with a margarita, such as a Pink Pomegranate or a Greener Pastures, and then try something longer such as a Hibiscus Highball. If you prefer something a little more moody, try a Fallen Angel or brace yourself for a Tequila Smash. Finally, unleash your wild side with an Under the Volcano!

- Tequila is the number-one increasing category for many US liquor companies over the last five years.
- Tequila has a generally stylish, fun reputation that is only growing—Kendall Jenner, George Clooney, Justin Timberlake, Mario Lopez, Adam Levine, P Diddy, and Dwayne "The Rock" Johnson all have their own brands of tequila. It's becoming more of a product to be savored and appreciated.
- Jesse is the son of the late Tomas Estes, founder of London's Café Pacifico, European Tequila Ambassador for the Mexican Government, and the man credited with introducing the drink to the European bar scene.

There is nothing more satisfying than that first sip of a crisp, cold martini. In this book, **David T. Smith** and **Keli Rivers** guide you on an exhilarating journey through all things "martini," showcasing all the exciting places that the classic drink can take you. You'll find everything from classics like the Dirty Martini and Vesper, to more avant garde combinations that demonstrate sensational possibilities, alongside seasonal treats. Contemporary recipes include exciting favorites such as the Appletini and Espresso Martini, while more experimental creations make the most of less typical spirits and flavors, allowing you to indulge in treats like the Rum Martini and the Mezcal Martini. These recipes provide opportunities for everyone, from the cocktail novice, the Friday night home bar cart crew or the established connoisseur. Whether you prefer yours shaken or stirred, grab your finest spirits and let the experts show you the very best of the martini.

- The martini is in its "new golden age," with TikTok tutorials and Instagram aesthetics pulling Gen-Z into the excitement of the drink—"Martinis stopped looking like an uncreative boomer drink and began to feel timelessly chic," Hannah Chamberlain of TikTok account SpiritedLA.
- The Espresso Martini is currently the world's most notorious cocktail, a classic that surges in popularity time and time again (*The Guardian*). The canned cocktail industry and new modifications see the drink continuously rebranded for newcomers (*The New York Times*).
- With the "House of Martinis" London pop-up Summer 2022, and World Martini Day (18th June), summer is the perfect time to dive into martini recipes.

The pandemic has led to a massive surge in sales of camper vans, as vacationers have chosen to avoid busy airports, crowded resorts, and the risks of travel disruption. Instead, many are enjoying the freedom of the open road, embracing their wanderlust, and voyaging with their loved ones in comfort and style. In *Camper Heaven*, Dee Campling offers advice on choosing the right van for your needs and decorating it to match your personal tastes. She then presents a series of inspiring case studies, beginning with her own Scandi-style hideaway on wheels. The following chapters—Home on the Road, Retro Living, Creative Campers, and The Great Escape—feature 12 remarkable vans to suit all styles. These range from a classic vintage Volkswagen camper to a converted horsebox with a rustic wooden interior. All the vans are highly personal and as unique as their adventurous owners, who offer thoughtful insights based on their experiences of van life.

- There has been a huge surge in sales of motorhomes since the pandemic began – in September 2021, US sales had increased by 58.9% year on year. Ipsos research in 2021 found that 46 million Americans planned to take an RV trip in the next 12 months.
- The Instagram hashtag #vanlife has more than 13 million posts showcasing campervans in scenic spots around the globe.
- Chloé Zhao's Academy Award-winning film *Nomadland*, a beguiling portrait of van-dwelling communities in America, has sparked considerable interest in this unconventional lifestyle.

In *Botanical Style*, Selina Lake brings her signature romantic vintage style to the current trend for all things botanical. The first chapter, Botanical Inspirations, sets out the ingredients of the look—antique botanical prints, flower stalls, potting sheds, and houseplants—as sources of fresh ideas to transform your home. Moving on, Selina explores five different facets of the style. Vintage Botanicals celebrates a gentle palette of floral watercolors and pressed flowers, while Boho Botanicals has a free-spirited 1970s vibe with jungly potted plants. The varied textures of Industrial Botanicals give it a modern edge, combining polished concrete and rusted metal with peeling paint and vintage posters. Natural Botanicals is based around antique prints and museum specimen cases for a nostalgic feel, while Tropical Botanicals has a glamorous retro flavor. Throughout the book, DIY Makes and Style Tips provide a wealth of insights for how to recreate the ambiance of botanical style at home.

- “Whether applied to wall hangings, wallpaper, or even pillows, botanical imagery is ready to take over interiors,” says *Architectural Digest*, referring to data from the online vintage marketplace Chairish.
- Pinterest has revealed that biophilic interiors are more popular than ever: “Millennials are turning to plant-first design solutions this year to increase their connection to nature and enhance their well-being.”
- In 2022 and beyond, forecaster WGSN predicts that “consumers will be inspired to create conservatory, greenhouse spaces in their homes.”
- From the bestselling author of *Garden Style* (ISBN 978-1-84975-925-0) and *Natural Living Style* (ISBN 978-1-78879-066-6).

KI NASSAUER

has been dubbed the “Martha Stewart of vintage” in media coverage from sources such as the *Wall Street Journal*, NBC’s “Today” and HGTV. Ki has a passion for vintage, scouring antiques stores, flea markets, salvage yards, and the occasional street-side pile of castoffs in search of inventive furniture and accessories. She is the former editor of *Flea Market Style* magazine and in 2006 started the biennial vintage shopping extravaganza Junk Bonanza in Minneapolis, Minnesota. As the creator of *Lived-In Style* magazine, Ki continues to share her passion for all things old and authentic. Born and raised in Minnesota, Ki now lives in Los Angeles.

What is *Lived-in Style*? Well, it may bring to mind the comfy reading chair you curl up in next to the window. It might get you thinking about a freshly made bed topped with a vintage blanket or your grandmother’s quilt. Or perhaps it will elicit a smile over the collection of found treasures and jumble of mementos displayed on your mantel. Moreover, this feel-good look isn’t perfect. Far from it. It’s mismatched and eclectic, vintage and repurposed. It’s not about purchasing the contents of an entire room from a catalog, no matter how beautifully styled it might be, or replicating a perfectly appointed home glimpsed on Instagram. Instead, *Lived-in Style* is about slowly amassing pieces over time, and truly loving each piece you find. Whether your style is farmhouse or boho, rustic or modern, the end result is a home that’s authentic, easygoing, and inviting—a cozy yet chic spot where guests will want to put their feet up and stay awhile.

- Ki Nassauer has a loyal and engaged audience of nearly 220,000 followers on social media. Her online magazine *Lived-In Style* celebrates the vintage-inspired life and has a monthly newsletter that reaches 21,000 readers.
- “Vintage and sustainable accents” is one of Vogue.com’s leading interior design trends of 2022.
- An easy-to-achieve look that’s sustainable and perfect for lovers of eclectic, free-spirited style.

Pastels are enjoying a comeback, but today's versions pack plenty of personality. They allow you to fill your home with sophisticated shades without splashing statement brights around, and bring warmth and softness to any interior. In *Pretty Pastel Style*, stylist **Selina Lake** shows you how to use this versatile palette to create beautiful spaces that are feminine without being frou-frou; colorful without being garish. The book walks you through the Elements of the look. Modern Pastels are contrasted with pops of stronger shades and sharpened with statement furniture; Vintage Pastels plunder the past, taking from it smoky pinks, faded greens, and elegant patterns; Retro Pastels channel the ice-cream shades of the Fifties on candy stripes, polka dots, and cute floral prints; while Simple Pastels work with off-whites for an elegantly minimal take on pretty pastel style. Next, Details looks at everything from furniture and lighting, to display and decoration, with inspiring ideas on how to put the style together. Finally, head to the Spaces section of the book to see beautiful rooms that have used pretty pastels to stylish effect.

- "Whether you choose to fill your home with sky blues, seafoam greens, or peachy pinks, these muted tones can help create tranquility," says Etsy trend expert Dayna Isom Johnson.
- The current "Danish Pastel" trend, which has over 300 million views on TikTok, combines Nordic minimalism with uplifting sorbet shades for a cool, contemporary take on this retro palette.
- From the bestselling author of *Botanical Style* (ISBN 978-1-84975-713-3) and *Heritage Style* (ISBN 978-1-78879-432-9).

CHRISTINA STRUTT

is the founder of Cabbages & Roses, a fabric company that specializes in historic rural printed fabrics for fashion, accessories, and interiors. Her books include *Living Life Beautifully*, *Vintage Chic*, and *A Life in Fabric*, all published by CICO Books. Christina is based near Bath and in London, UK.

From urban high-rises to coastal hideaways, the great manor homes of England to a tiny beach house on the other side of the Atlantic, the beauty of the Cabbages & Roses brand lies in its gentle yet distinctive take on vintage design. In this lavish book, **Christina Strutt** explores Classic Country, Modern City, Island Country, and Outdoor Country styles. Homes that bring together the old and the new, evoking the atmosphere of each season, sit beside city spaces where urban living combines with vintage style—think faded florals and ticking fabrics softening an industrial space, splashes of color to enliven it, and contrasting textures to add interest. Coastal dwellings are fresh, breezy, and dreamy—ideally suited to beach living. The book shows that the country can come to the city, that the city can benefit from coastal settings, and that the Cabbages & Roses style is a beautiful asset to any home as it complements all environments.

- At the forefront of a new style of decorating, "Christina founded Cabbages & Roses in 2000, before vintage became a buzzword and florals bloomed all over the high street." (*The Independent*)
- Cabbages & Roses is a quintessentially British fashion and lifestyle brand with 56k followers on Instagram (@cabbages_and_roses).
- Taps into the continuing popularity of #cottagecore (3.8 million posts on Instagram and 11 billion views on TikTok).

In *Creative Family Home*, **Ashlyn Gibson** explores the heart and soul of twelve homes that capture the zeitgeist in modern living. Whether your family consists of a single bouncing baby or a tribe of pre-teens, both the practical and the decorative issues are tackled here, paving the way for a fun, hard-working, and creative home that grows and adapts with your kids. The book starts by focusing on the varying demands of family living, with suggestions for using space creatively, color and pattern, hardworking storage, homework and creative zones, and displaying kids' artworks and other treasures. Next, Ashlyn visits real-life homes that are notable for their fresh, irreverent take on family living and draws inspiration from their varying approaches to the many demands that today's families encounter. *Creative Family Home* celebrates modern family life, where children are given the freedom to express themselves and to develop their individuality within the context of an imaginative family home.

- Many parents are searching for interiors inspiration online. The hashtag #nurserydecor has been used more than 3 million times on Instagram, while #kidsroom appears 5 million times.
- Children today are spending more time indoors than ever before, so interior design should take their changing needs into account.
- Searches for dedicated activity spaces such as playrooms, games rooms and reading nooks are up by more than 150% on popular home design website Houzz.com.

The perfect antidote to unsustainable, mass-produced “fast furniture”, flipping can take many forms: applying paint or wallpaper, replacing handles and hardware, experimenting with upholstery, and adding pattern and texture. The only limit is your imagination. In *Furniture Flips*, **Joanne Condon** details what you need to get started, including essential equipment and how to prepare vintage or second-hand furniture for painting. There follows 30 projects, organized by difficulty level. Beginners can start with simple stencils and color blocking, while intermediate upcyclers might try their hand at cross stitch on a cane-backed chair. Confident furniture flippers, meanwhile, can tackle larger, more advanced projects, such as transforming a wardrobe into a pantry—or even painting a piano. Throughout the book, Joanne presents easy-to-follow instructions with photographs to guide you at every single step.

- Joanne has an Instagram following of 27k that is growing fast. Her online furniture upcycling course is available on the Domestika website.
- The hashtag #furnitureflip is inspiring a new generation of upcyclers, with 426k Instagram posts and has more than 4 billion views on TikTok.
- The colorful creativity of Joanne's designs ties in with the Newstalgia trend, which is “all about reinventing the past, taking something old and making it new again” with a dash of personality, according to *House Beautiful*.
- “People [are looking to] upcycle and thrift in a bid to revamp all things old school with a contemporary finish.”—Matt Siberry, Head of Home at Pinterest.

In *French Home*, dealer in French antiques **Josephine Ryan** explores the elements that come together to create elegant yet comfortable spaces with a distinctly French feel. She points out the architectural details that enhance the framework of a room, explores the textures and the color palette that flatter various styles of furniture, and shows us a variety of options for lighting, mirrors, decorative objects, and paintings. By exploring real homes that deftly synthesize all these elements and more, *French Home* examines the sophisticated alchemy of an enduringly popular look that can be either lush and complex, or simple and pared down.

- Josephine Ryan, who has “shopped” France for thirty years, demonstrates a keen eye for objects both ordinary and extraordinary, which she brings together in an unexpected and original way.
- “Introducing a historical, heirloom, antique, or vintage piece can quickly change the mood of a room, imbuing it with depth and a focal point—which may be why this trend has lasting appeal in 2022,” says *Architectural Digest*.
- Organized room by room to provide inspirational style ideas.
- Will encourage you to re-evaluate the items you own or reinvent a room to bring a touch of French style to your home.

Think of summers in France, and what comes to mind? Hot sunlight on a stone-flagged terrace. Bees buzzing amidst a sea of lavender. Wandering through a local market and filling a basket with bread, cheese, and ripe peaches. Sipping rosé wine as dusk falls, then eating by candlelight in the warm evening air. These aspects please all the senses—and so too does the distinctive decorative style of rural France. Against this backdrop, **Caroline Clifton-Mogg** visits 15 glorious homes that display the legendary French sense of style and evoke all the sensual appeal of summers spent in this beautiful part of the world. Throughout the book, she also explores the elements of the French country look, from the color palette and materials typical of rural style, to cozy and chic soft furnishings and decorative accessories and antiques sourced at local markets and brocantes.

- Provides inspiration for those who love French design, and an insight into how the French country look is put together by the various owners of the houses featured.
- Post-pandemic, France has retained its crown as the world's leading tourist destination.
- A perennially popular style with timeless appeal.

ELISABETH CARLSSON

is a Swede who has lived in Madrid and New York and has now made her home in London with her husband, two children, and cat. Her background is in publishing but she is now a trained nutritional therapist. She keeps balance in her often hectic life with simple and lagom pleasures like lots of fika moments, growing her own vegetables, and lighting candles every day. Elisabeth lives in London, UK.

Our love affair with all things Scandinavian shows no signs of letting up. Having embraced the Danish concept of hygge, we're now looking to Sweden and one of their essential philosophies, lagom. It's best described as "not too much, not too little; just the right amount," which, in practice, is balance—and isn't that what we're all looking for? In this delightful book, Swedish expat **Elisabeth Carlsson** lets us in on the secrets of the Swedish lifestyle and shows us how we can all be a little more lagom. She explains what lagom means to the Swedish and then explores how it can relate to all areas of our life, starting with our separation of work and home and how we manage our time. She suggests taking a balanced approach to how we eat, not depriving ourselves but not overindulging and avoiding waste. Elisabeth also explains what makes a home more lagom in style and function and how we can take care of it sustainably. We also need to appreciate and look after our bodies with moderate exercise and care. Lagom has the potential to change our approach to life as a whole and help us realize that what's good for the world can also be good for us, too. Filled with advice and ideas, this thoughtful guide provides the key to a lagom way of living—healthy, harmonious, and happy.

- Lagom was identified by Etsy as a key trend for 2022, as shoppers "look to live their lives with balance and moderation in mind". Yelp recently saw searches for "lagom" increase by 33% in just 2 months.

- *The Lagom Life* is the companion to *The Essence of Hygge* (ISBN 978-1-78879-345-2).

- Other books on Scandinavian living have been bestsellers, including *ScandiKitchen* (ISBN 978-1-84975-874-1), which has sold almost 10,000 copies, and *ScandiKitchen: Fika & Hygge* (ISBN 978-1-84975-759-1), which has sold over 8,000 copies since 2016.

The Comforts of Home is a book that enters into the spirit of how we want to live now, at a time when excess is no longer desirable. Author **Caroline Clifton-Mogg** puts a welcoming and beautiful haven within everyone's reach. The first section, The Elements, extols the joys of an orderly home, covering both decorative aspects such as textiles and finishing touches, and practical topics such as storage and cleaning. The second section, The Rooms, shows how to create spaces that are inviting and easy to live in—from the welcoming hallway to the cozy kitchen, comfortable living room, satisfying study, practical bathroom, and peaceful bedroom, through to the garden. *The Comforts of Home* offers clever decorating ideas that rely on imagination and style rather than a deep purse and suggests ways of making the most of what we have to put the heart back in our homes.

- After spending so much time at home during the pandemic, many of us are keen to reinvent our spaces sustainably and on a budget.

- This book taps into the current Newstalgia trend, demonstrating how a few carefully chosen new pieces can enliven an established interior. "The mixing and matching of retro items with contemporary pieces [...] comforts us with memories of the past while grounding us in the present," says Etsy's trend expert Dayna Isom Johnson.

- Home organization is still a hot topic. And according to *Forbes*, "Bigger, Better Kitchen Pantries are a Covid-Inspired Wellness Design Trend" that is here to stay.

The past 70 years witnessed a beautiful 25-year-old Princess transform into a revered nonagenarian monarch who was recognized, respected, and loved the world over. A woman whose views were never heard, Queen Elizabeth II deployed fashion as a means to communicate and signal her position to the crowds who gathered to see her in public and the millions who watched her television broadcasts: “I must be seen to be believed,” she said. The Queen’s evolving attitude to dress reflected a visual landscape that started as genteel reportage in black and white and over the years developed into a 24/7 live-streamed news cycle, flashed around the world in seconds and driven by social media. Through it all, Elizabeth II’s style was an extension of all she represented as Queen; it was stoical and cautious yet dazzling and majestic. *The Queen: 70 Years of Majestic Style* celebrates the fashion evolution of Elizabeth II and takes a look at an unrivalled archive of unique fashion moments that bear testament to the care and consideration the Queen took in looking the part for a role like no other.

- Revised edition with brand new introduction.
- “A fun read.... This book’s charm extends well beyond its pictures, though it has an impressive collection.... [Bethan] Holt’s assessments are shrewd.”—*The Washington Post*

Feng shui teaches that we are interconnected and interdependent. This includes the spaces that we live in and engage with every day. We are not separate from our homes, our spaces, or the objects and people that surround us. How can we begin to connect to and appreciate our world, and see the beauty in each moment? In *Mindful Homes*, discover how we can start by paying attention to the details around us. Feng shui and mindfulness can help us to slow down, be more aware, and create spaciousness to give birth to more joy, creativity, and community. Learn simple practices to cultivate a healing living space, including creating sacred areas for rituals, incorporating crystals, mindful meditation, and offering gratitude to deities and to your home itself. With stunning photography throughout, *Mindful Homes* will inspire you to look at your environment with fresh eyes and create a space that enhances happiness and wellbeing.

- “The healing home” has been identified as a trend for 2023.
- The philosophy of feng shui has seen a revival in recent years, proving popular among those wanting a more spiritual take on interior design.
- An enduringly popular practice, with millions of followers across Instagram, YouTube and TikTok.

SUE MINNS has trained in Transpersonal Psychotherapy, Deep Memory Process Therapy (aka past life regression), Shamanic Practice, and Animal Spirit Medicine. Her wide interest in the spiritual path took her to a two-year study course with One Spirit Interfaith, which led to her ordination as a minister.

With helpful practices and step-by-step meditations, this inspiring guide shows you how to rediscover your identity and bring your body, mind, and soul back into balance. **Sue Minns** introduces you to different methods that will help you appreciate who you really are, including how to breathe and meditate, understanding the body–mind link, and exploring your personal energy field or aura. You’ll also learn how to use crystals for therapy, boost your physical and emotional health through the chakra system, and find your inner child. With practical exercises, visualizations, and useful summaries, *Heal Your Soul* shows you how to incorporate spiritual practices and a sense of inner peace into your everyday life.

- Taps into the current need for solace and control: spirituality and folk religion are gaining cult online followings through TikTok, and 80% of Millennials and Generation Z said they feel a sense of spirituality and believe in a higher power according to a recent survey.
- Guides you through a wide range of popular spiritual practices including crystals, breathing, meditation, and discovering your inner child.
- Beautifully presented with colorful illustrations.

SARAH RUDELL BEACH became a mother in 2006, embarking on a powerful journey in both motherhood and mindfulness. She has had a personal mindfulness practice for many years now, holds a master's degree in education, and is a Mindful Schools Certified Instructor. As the executive director of Brilliant Mindfulness, she teaches mindfulness courses to children, teens, and adults. Sarah writes about mindfulness and healthy living for the Huffington Post, and is the author of *Mindfulness for Children* and *Your Mindful Pregnancy*. She lives in Minnesota with her husband and two children.

Becoming a new parent can be an overwhelming experience, presenting significant challenges to mental health and wellbeing. The powerful techniques offered in this book are intended to boost psychological health, help you navigate the ups and downs of motherhood, and help you be the mother—and the YOU—that you want to be. **Sarah Rudell Beach** offers a rich compendium of practical advice on how to be present in the moment, and how to live with curiosity and without judgment, and offers powerful tools that can transform how you relate to your own life, and how you engage with the world. There is a growing body of research that tells us that when mothers practice self-care they experience less stress and anxiety, build stronger relationships with their children, and feel less overwhelmed by the demands of motherhood. Their children experience less stress and anxiety, too. In this beautifully illustrated book, Sarah Rudell Beach introduces the basics of self-care and offers a collection of meditations and affirmations. From dealing with tantrums and your patience being tested to making time for yourself and practicing self-compassion, you'll discover how being present in the moment can lead to greater calm, balance, and ease in your daily life.

- Intended to take the stress and anxiety out of parenting and promote mental health, offering a rich combination of advice, affirmations, and positive thinking.
- Mindfulness continues to be a best-selling topic in books: *The Little Pocket Book of Mindfulness* (ISBN 978-1-78249-203-0) has sold 17,000 copies.
- The ideal gift for Mother's Day.

CLARE GOGERTY lives on a smallholding in rural Herefordshire, UK, which she intends to open as a spiritual retreat in 2023. She has been interested in magic, druidry, and folklore since childhood. A former magazine editor, she is now a freelance journalist and author, writing about spirituality, travel, homes, and lifestyle. Find out more at claregogerty.co.uk and on Instagram @claregogerty.

Modern witchcraft is a nature-based discipline, harnessing the power of plants, the spirit of the land, the benefits of each season, and the cycle of nature. Inspired by the Five Elements—Spirit, Air, Fire, Water, and Earth—and based on author **Clare Gogerty's** own experience, *Your Magical Garden* will encourage you to look at your outdoor space with a witch's eye. Each chapter is based on one of the Five Elements and offers details about the element and its potency, how to work with it in your garden, what plants are associated with it, and corresponding remedies, rituals, and spells. You will learn how to create spiritual features, such as a moon gate, leaf mandala, scrying pool, and fire pit, as well as ways to care for nature, such as rewilding to create a haven for plants and wildlife. Discover the wonder of re-enchanting your garden, however small, and creating a place of contemplation, meditation, and connection with the earth.

- Troubled times have seen more and more people looking for meaning in their lives and a connection with the natural world—modern, nature-based witchcraft is in tune with this longing.
- People are keen to reduce the effects of climate change and biodiversity loss—this book shows how to help by working with nature, rather than against it.
- There is an ever-increasing number of witches and druids as well as of those with an interest in all things to do with witchcraft—for example, WitchTok has more subscribers than the Kardashians.

PHILIP PERMUTT, described by the *Daily Mail* as "Britain's leading crystal expert," discovered crystals thirty years ago after a severe illness. He has been practicing ever since as a crystal healer and teacher. He is the author of many internationally acclaimed bestselling books, which have been translated into Chinese, Dutch, Finnish, French, Polish, Spanish, and Japanese.

Crystals not only heal but also affect how we feel and influence our responses to the wider world. They can support us when we feel down and help to boost our natural abilities when we're doing well or need a helping hand. Crystals improve the quality of our lives. If simply by adding beauty, they make us feel better. *Crystal Connections* is a detailed, accessible, and fully illustrated guide to harnessing the magic of crystals, written by one of the world's leading crystal healers. While there are many books on crystals, this one is directed at communicating and understanding the messages within them. Learn how to recognize and connect with the energy of your crystals, work with them in dowsing, divination, and healing practices, how they relate to chakras, how to cleanse and look after them, and much more. Also included is a full-color crystal finder section featuring 101 of the most common crystals.

- **Philip Permutt** is a best-selling author: *The Crystal Healer: Volume 1* (ISBN 978-1-904991-63-2) has sold over 63,000 copies and *The Complete Guide to Crystal Chakra Healing* (ISBN 978-1-906525-53-8) has sold over 16,000 copies.
- Google searches for "crystal healing" have more than doubled in the past five years, fueled by endorsements from celebrities like Katy Perry, Kate Hudson, and Adele.

The tarot is a secret system of symbols that has been used for almost six hundred years and is becoming increasingly popular today as people look for meaning and reassurance in our ever-changing and chaotic world. This form of spiritual counsel can be used to seek answers to life's key questions: "Will I find success in my chosen career?", "Will I find true love?", "What does the future hold?", and "Will I be happy?" This book empowers the reader by revealing the knowledge that each card brings, and how every reading can give a dynamic understanding of events, personalities, and relationships. With sample readings and concise interpretations, tarot expert **Liz Dean** gives you the confidence to approach the cards holistically. Freed from concentrating solely on the meaning of individual cards, you will begin to see them as a story or journey of life that gives you a clear picture of the past, present, and future.

- Liz Dean is a best-selling author for CICO: *The Art of Tarot* (ISBN 978-1-904991-04-5) has sold over 73,000 copies, *The Magic of Tarot* (ISBN 978-1-78249-721-9) has sold over 20,000 copies and *The Golden Tarot* (ISBN 978-1-906094-86-7) has sold over 86,000 copies.
- Tarot's popularity is on the rise—with card sales up 50 percent in recent years, 8.5m #tarot results on Instagram on an average day, and witch influencers gaining huge audiences. (*Vogue UK*, Sept 2020)
- This gift book format is a bestseller for CICO.

Nicki Trench, one of the leading figures in the revival and promotion of home crafts, has designed a series of patterns that will guide you from the initial crochet stitches to producing beautiful projects incorporating a wide range of techniques. Starting you off is the Crochet Know-How section, which explains all the stitches with clear step-by-step artwork and instructions. Next, there are three chapters packed with patterns to improve your skills. In *Starting Out*, you will find projects such as a simple springtime afghan and a pretty hat for a toddler, which you'll find amazingly easy and quick to create. Once you've mastered these, *Practice Makes Perfect* provides more of a challenge. Whip up some cute gifts for babies and young children, including bibs and blankets, or treat yourself to a pair of gloves in soft light-worsted yarn and a chunky seashell scarf to keep you warm on cold mornings. Finally, *Confident Crocheting* has more advanced patterns, ranging from a family of adorable dolls to a cherub dress with decorative picot stitching.

- Perfect for beginners and more experienced crocheters alike as there are three different skill levels.
- The crochet know-how section includes all the stitches and techniques you'll need.
- Nicki Trench's *Cute & Easy Crochet with Flowers* (ISBN 978-1-78249-067-8) has sold 5,000 copies.

CATHERINE HIRST was taught crochet at a young age by her grandmother and took to it immediately. She quickly learned to knit and embroider as well, and has been hand-making clothing, accessories, and gifts ever since. Her first book, *Teeny Tiny Crochet*, is also published by CICO Books. Catherine is based in London, UK.

Versatile and easy to make, the granny square is the ideal starting point for many people when they first learn to crochet. In *Granny Square Crochet*, crochet teacher **Catherine Hirst** presents 35 projects which show how this traditional block can be updated and used in many different ways. The first chapter has more than a dozen projects for the home, ranging from a blue-and-white mug cozy that can be made in less than an hour to a stunning bed cover. There are pillow and seat covers to brighten up your living room, as well as placemats and a runner for your table. The second chapter has some beautiful accessories, including gloves, a scarf, bags, and even a dog coat to keep your pets warm in winter. The third chapter has a great range of patterns to make as gifts for children and babies, such as blankets, bibs, hats, and toys. Each project is graded according to the level of skill required, and there is a comprehensive basic techniques chapter explaining all you need to know.

- Crochet exploded in popularity during the pandemic, with many people taking it up for the first time. Crochet was one of the top trends of summer 2022, with crocheted tops, dresses, skirts, and accessories appearing in high-street shops and at major fashion brands.
- A comprehensive basic techniques chapter explains all you need to get started, and clear instructions make all the projects easy to complete.
- Catherine Hirst is a well-established crafts teacher who brings an exciting, modern approach to crochet.

All of the projects in *Knitted Home* are easy to make and will inject style and color into your interiors. There are three color schemes to choose from—blues and greens in Cool Collection; reds, oranges, and yellows in Hot Ideas; and whites, creams, and grays in Pale Palette—so there is something for all tastes. You can start with smaller projects, such as the bolster pillow cover, flower vase cozy, or striped clock cover, then move on to something a little larger, such as the rope knit basket, chunky knit rug, or covered footstool. With a comprehensive techniques section, you'll discover how to use giant knitting needles and how to measure furniture for a knitted cover, as well as all the basics of knitting, so even beginners can try their hand at these fabulous ideas.

- The book taps into the trend of yarn-bombing—it's guerilla knitting for the home.
- The projects also tie into the maximalist decor trend, which is all about color and pattern, as well as the trend for upcycling by showing you how to update chairs, vases, or lampshades with knitted covers.
- There's an excellent techniques section for beginners and experienced knitters alike.

Cute & Easy Baby Knits

Designed with the environment in mind, this brilliant collection of craft projects will keep kids entertained for hours. It features decorations, toys, jewelry, gifts, and more, every one of them incorporating natural materials—woodland folk are created from pinecones and seed pods, a length of bark is the base for an animal painting, and a piece of slate is transformed into a pretty brooch or badge. The fun ideas range from bark rubbings for budding artists to herb head flowerpots for junior gardeners and are sure to give kids the creative bug. Best of all, finding the project materials encourages kids to get outside! They can gather shells on the beach to make the shell mice or collect leaves and twigs on a countryside walk to make a printed fox wall hanging. Even their own backyard will become an exciting source of crafty materials.

- Nature preschools (also known as forest schools) have more than doubled in the US in the last three years, according to a report from the Natural Start Alliance, a project of the North American Association for Environmental Education.
- **Clare Youngs** has 140k followers on Instagram and has illustrated a number of children's books, increasing her profile in children's publishing.
- The focus on natural and found materials, as well as recycling and reusing, encourages sustainability.

When you devote time and energy to growing plants and flowers, it is richly rewarding; in doing so, you care for nature and the planet, as well as create a beautiful space. This book celebrates the joy of doing just that, with a carefully curated selection of quotes and inspirational photography, as well as advice and simple suggestions on nurturing your own outdoor space, no matter how big or small. Quotes include:

- “To nurture a garden is to feed not just the body, but the soul.”—*Alfred Austin*
- “When I go into the garden with a spade and dig a bed, I feel such an exhilaration and health that I discover that I have been defrauding myself all this time in letting others do for me what I should have done with my own hands.”—*Ralph Waldo Emerson*
- “Life begins the day you start a garden.”—Chinese proverb
- Gardening has been shown to improve physical and mental health.
- According to a survey in 2021, nearly 76% of millennials planned to expand their gardens and plant more in 2022: “Millennials see gardening as more than just a hobby, it’s an extension of their home and a chance to enhance outdoor living space.” (Greenhouse Product News, Oct 2021)
- Follows on from the success of CICO’s *Mindful Walking* (ISBN 978-1-80065-088-6).

The Secret Language of Flowers

Did you know that the type of flowers you give can speak volumes? *The Secret Language of Flowers* is a fascinating insight into the Victorian tradition of using flowers to convey secret messages in a society where feelings often had to be suppressed. **Samantha Gray** reveals how over 50 blooms acquired their meanings in folklore and how they became the language of courtship, love, friendship, beauty, and more—discover how lily of the valley symbolizes the return of happiness, how bluebells stand for constancy and everlasting love, and how daffodils represent high regard and chivalry. With stunning illustrations by artist Sarah Perkins that capture all of the beauty of flowers, this is an exceptionally lovely and fascinating gift book.

- This hardcover gift book is beautifully designed and features specially-commissioned illustrations by Sarah Perkins.
- The book is a wonderful gift to say thank you or express your love.
- Publication in time for Mother's Day.

Did you know that blue whales do the biggest poos on the planet? Their daily deposits can reach up to several yards in length and are often pink in color thanks to a diet of shrimp. Or that when a dog needs to go it will align itself with the north-south axis of the Earth's magnetic poles? And did you know that the average person spends around three years on the toilet over the course of a lifetime? With so much time spent "on the job", it's about time you learned something about the process you are going through. *Poo Knew?* will tell you amazing facts and trivia about your deposits, such as how the average human produces about 2 pounds of the good stuff every single day, or that the longest dump ever recorded was 26 feet, roughly the same height as a two-story building. After digesting this collection of over 100 fascinating facts, you'll never look at your poo in the same way ever again.

- Books on poo are some of the most frequently requested by gift customers.
- A hilarious gift for those who appreciate toilet humor, making it a perfect stocking filler or gag birthday present.

Nothing beats a night on the booze, and what kick starts a party better than drinking games? Yes, they're not big and they're not clever, but they're good fun. This handy guide contains over 25 of the best drinking games around. All you need to do is read the simple rules, grab some friends, and start that fateful journey towards inebriation. BUT... what goes up must come down. So when you're rubbing the sleep out of your eyes and the drool from the corners of your mouth, wishing you'd only played nine holes of Bar Golf rather than the full 18, you'll be thrilled you were smart enough to get yourself this collection of over 25 hangover cures that will have you out of bed and back on your feet in no time.

- Ensure your evening is one to remember, though chances are if you lose, you won't recall much of it!
- Makes the perfect gift for a secret Santa or the teenager or twenty-something in your life.
- *Drinking Games* (ISBN 978-0-957140-94-3) and *Hair of the Dog* (ISBN 978-0-957140-95-0) are bestsellers for Dog 'n' Bone.
